Dr [REDACTED]

Thank you for reaching out to Danish National Genome Center.

However the two specific projects mentioned in your letter - Genome Denmark and FarGen – are not part of the Danish National Genome Center.
The Danish National Genome Center is a new government agency and an authority within the Danish Healthcare system (<https://eng.ngc.dk/>).

We are unfortunately unable to help you in your request.

Kind Regards

[REDACTED]

Danish National Genome Center • 5, Ørestads Boulevard • DK-2300 Copenhagen S • Denmark • www.ngc.dk
